unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

this is the first in a five volume series that will collect much of trade unionist and socialist party founding father eugene v debs work for the first time in a single place the collection makes readily accessible approximately 150 documents only a few of which were ever subsequently republished by one of the seminal figures in the labor movement of his era illuminating 19th century labor history particularly the complex and shifting situation in the transportation industry this volume provides a basis for deeper understanding of debs and his

role later during the glory days of the socialist party of america
